<http://www.minercia.com>

SKILLS

Adobe Photoshop, Adobe Illustrator, Macromedia Dreamweaver, Macromedia Flash, Microsoft Word, HTML, Adobe InDesign , and basic digital video and audio editing.

LANGUAGES

Spanish, French, and Italian

OBJECTIVE

I wish to enter a design oriented work environment that will allow me to expand and apply what I have learned in school and as a freelance graphic designer.

EXPERIENCE

Freelance Graphic Designer / Web Designer

2002 - Present

Diablo Valley College Italian Program, DVC Multimedia, IDSA-SFSU Student Chapter, minercia.com, and chrysalis-sfsu.com

- * Designed sites from conception to completion using HTML, and basic Flash interactivity. Making graphics changes and updates to existing client sites.
- * Designed college print projects such as fliers, business cards, posters, corporate identity, digital illustration, book covers and spreads, brochures and direct mail pieces for the purposes of marketing and promotion.
- * Collaborated with the Graphics team in the 2004 annual San Francisco State University design exhibit offering creative solutions for advertising and development of a website.

DVC Multimedia internship

Fall 2003

- * Designed fliers and website
- * Designed and created promotional flyers, and ads for a weekly posting in Craigslist.org
